Day of Delight and
Beauty Unbounded

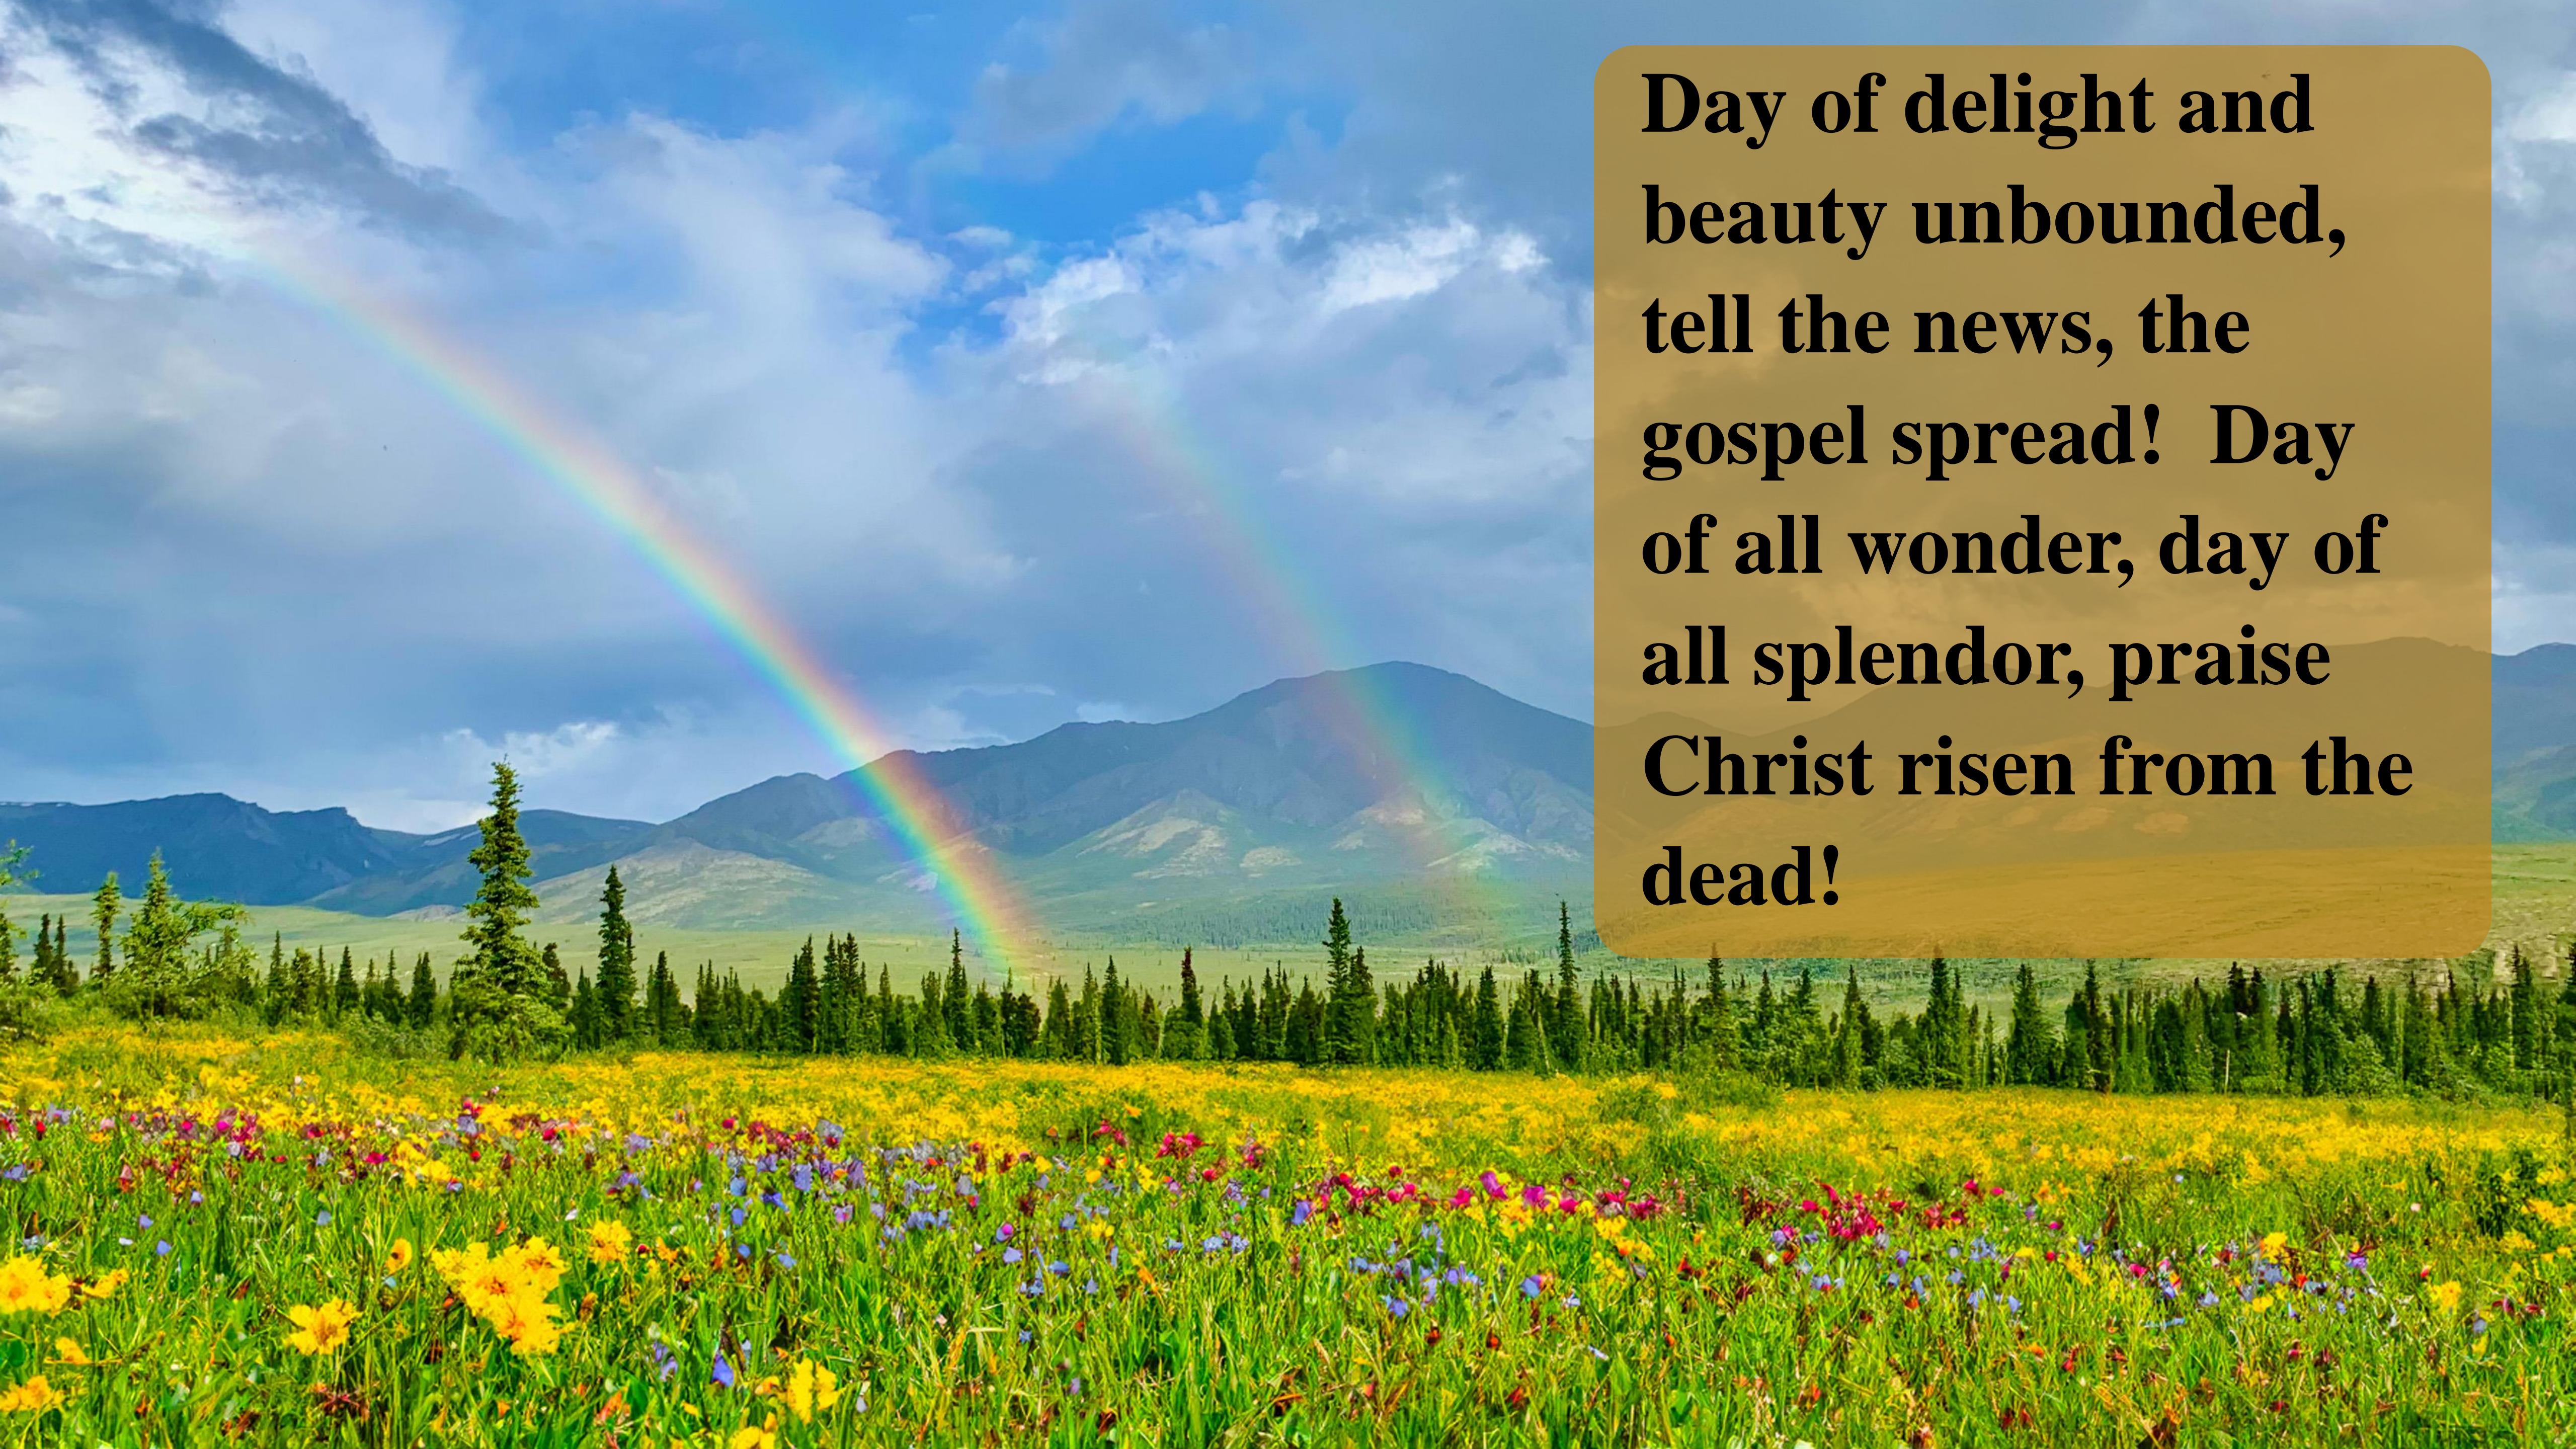

A wide-angle landscape photograph of a mountainous region. In the foreground, a field of green grass is dotted with numerous small, colorful wildflowers in shades of yellow, purple, and red. A dense line of tall evergreen trees marks the middle ground. Beyond them, several mountain peaks rise against a blue sky with scattered white clouds. A bright, multi-colored rainbow arches from the left side of the frame towards the mountains, its colors vivid against the sky.

**Day of delight and
beauty unbounded,
tell the news, the
gospel spread! Day
of all wonder, day of
all splendor, praise
Christ risen from the
dead!**

**Sing of the sun from
darkness appearing;
sing of the seed from
barren earth
greening; sing of the
creation, alleluia!**

**Sing of the stream
from Jesus's side
flowing; sing of the
saints in water made
holy; sing of
salvation, alleluia!**

mourning turned into
dancing; sing now the
mystery, hope of our
glory; sing with
thanksgiving,
alleluia! Sing now of
fasting turned into
feasting; sing the
Lord's favor lasting
forever; sing, all
things living, alleluia!**
